

Notes on Editing:

These pages have an upside-down K superscript that we can't create:

106 112
107 115
108 120
109 130
110

These pages have symbols in the original equations that we can't create"

136
154
156
157
158
159 (also, please check the Greek symbol ρ . I'm not sure if this is the right symbol)
208
